

Flash Appeal review 2008-2010 ACAPS requirements

Color legend
0% 100%

Color scale from grey to black shows the degree of requirements fulfilled (%). White color represents topics not included in the appeal, e.g. agriculture or CCCM are not always sectors relevant to a Flash Appeal, according to the type of crisis.

The Flash Appeal dashboard details the availability of needs related information across 18 Initial and Revised Flash appeal (IFA and RFA) from 2008 to 2010. Topics and subjects were chosen based on ACAPS criteria. Details on the methodology are available in the final report of the review.

Flash Appeal review 2008-2010 Guidelines Requirements

Color legend
0% 100%

Color scale from grey to black shows the degree of requirements fulfilled (%). White color represents topics not included in the appeal, e.g. agriculture or CCCM are not always sectors relevant to a Flash Appeal, according to the type of crisis.

The Flash Appeal dashboard details the availability of needs related information across 18 Initial and Revised Flash appeal (IFA and RFA) from 2008 to 2010. Topics and subjects were checked against guidelines requirements applicable at the time the Flash Appeals were prod..
